ANNUAL CONFERENCE 2018

April 13-15, 2018 Delhi India

conference.c-sharpcorner.com

ABOUT C# CORNER

Founded in 1999, C# Corner is a global online community share, inspire, and grow. C# Corner reaches 4+ million monthly visitors from over 180 countries. We offer free tutorials and blogs, technology question and answers, career book downloads, training, and job opportunities. C# Corner hosts many events and conferences all around the world, throughout the year. For mobile devices, we have apps available for both iOS and Windows devices.

FOUNDED

VISITORS IN 2017

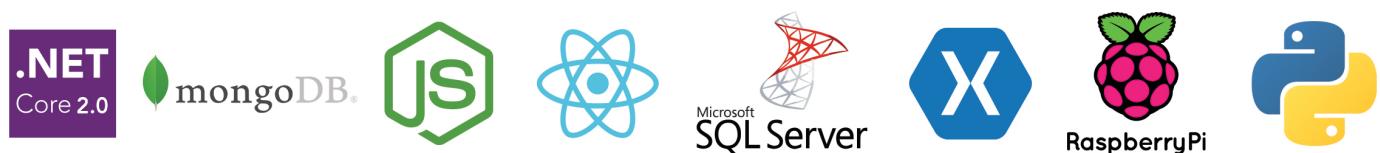

of software professionals that allows members to learn, teach and share knowledge with other users worldwide. C# Corner provides learning articles, video tutorials, developer news and announcements, and developer advice. C# Corner also organizes local chapter meetups and developer events around the world. For mobile users, C# Corner apps are available for Android, iOS and Windows Phone.

ABOUT THE EVENT

The C# Corner Annual Conference 2018 is a 3-day annual event for software professionals and developers on the latest technologies —

75
Hours

A carnival of thousands of techies to connect, learn, and achieve.

60
Speakers

A full-on learning platform where everyone has something to learn to.

40
Technologies

A lifetime opportunity to gain hands-on experience on latest technologies.

Mads Torgersen

Principal Program Manager at Microsoft, Lead Designer of C#, International Speaker

Mahesh Chand

Founder C# Corner, CEO Mindcracker, Microsoft Regional Director, Startup Adviser

Magnus Martensson

Microsoft Regional Director, Azure MVP, CEO Loftysoft

Jason Beres

Sr. VP Developer Tools at Infragistics, Author, International Speaker

Diksha Deo

Founder and CEO Incubgence, Co-Founder CKHO, Speaker, Writer

Chris Trew

Founder & CEO Stratis

Pinal Dave

Founder - SQL Authority, Independent Consultant, International Speaker

Jeff Prosise

Co-Founder Wintellect, Author, International Speaker

Joseph Guadagno

International Speaker, Microsoft MVP, Lead Quicken Loans

Bill Wolff

CEO Agility Systems, Founder/President PhillyCodeCamp, INETA, VP Speaker Bureau

Chris Love

Founder Love2Dev, Microsoft MVP, Author, International Speaker

Albert Anthony

Founder LovesCloud, Certified Scrum Master, Speaker

Dr. Nitin Paranjape

Founder & CEO Maxoffice Services, Microsoft Regional Director, Microsoft MVP, International Speaker

Vishwas Lele

CTO Applied Information Sciences, MS Regional Director, Azure MVP, International Speaker, Author

**David McCarter**

International Speaker, Trainer, Inventor,
Software Architect, Consultant,
Microsoft MVP

**Alagunila Meganathan**

Software Architect, Microsoft MVP,
Trainer, Author, Speaker

**Dan Gershony**

Blockchain Developer

**Neha Nivedita**

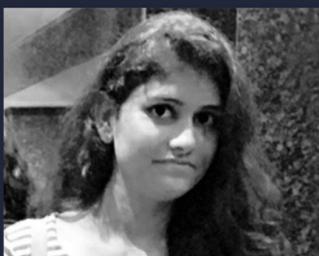

Full Stack Developer, Open Source
Contributor, Speaker

**Abhishek Kant**

Country Manager Telerik,
Pluralsight Author, Speaker

**Joe Darko**

Program Manager Evangelist at Microsoft,
International Speaker, Author,
Microsoft MVP Lead

**Anjali Soni**

Lead Developer, Author, Speaker

**Prabhjot Bakshi**

Microsoft Regional Director,
Director Getwings Technologies,
Microsoft MVP, International Speaker

**Dave Nel**

Co-Founder Tangent Solutions,
Microsoft Regional Director,
International Speaker

**Niloshima Srivastava**

Tech Architect, Trainer, Blogger, Speaker

**Sanjay Vyas**

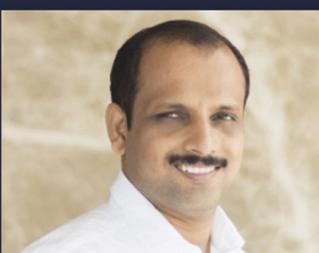

Founder & CEO SkillLabs Technologies,
Microsoft Regional Director,
Microsoft MVP

**Naveen Sharma**

Enterprise Architect, Author,
International Speaker

**Allen O'Neill**

Microsoft MVP,
Consulting Engineer/Architect,
International Speaker

**Destin Joy**

Architect UST Global,
Microsoft Regional Director,
Microsoft MVP, Speaker, Author

**Sekhar Srinivasan**

Microsoft Certified Trainer,
Pluralsight Author, International Speaker

**Sandeep Soni**

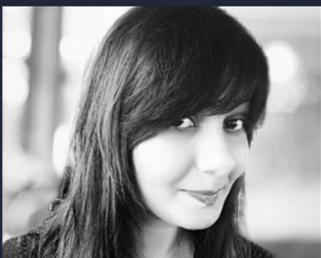

Founder & CEO Deccansoft,
Microsoft Certified Trainer, Speaker

**Apurva Parasher**

Digital Marketing Expert, Author, Speaker

**Prakash Tripathi**

Tech Lead, Microsoft MVP, Author, Speaker

**Nitisha Soni**

UI Developer, Speaker

**Vignesh Ganesan**

SharePoint/Office 365 & EMS Technical Manager, C# Corner MVP, Author, Speaker

**Jinal Shah**

Co-Founder Brainoja Creations, C# Corner MVP, Author, Speaker

**Suketu Nayak**

CEO at GetWings Technologies, Microsoft MVP, Speaker

**Parveen Malik**

AVP InfoSec & Vulnerability Management, Information Security Expert

**Sourabh Somani**

Lead Developer, Microsoft MVP, Author, Speaker

**Raj Chaudhuri**

Independent Consultant, Trainer, Speaker

**Vithal Wadje**

Software Architect, Microsoft MVP, Author, Speaker

**Feroz Khan**

Founder CodeSizzler, Microsoft MVP, Author, Speaker

**Kasam Shaikh**

Founder DearAzure, Azure Architect, Author, Speaker

**Nishith Pathak**

Author, Speaker, India's 1st AI MVP, AI Thinker & Researcher, VP at Accenture Labs

**Nitin Pandit**

Developer Evangelist, Microsoft MVP, Author, Speaker

**Saurabh Chaturvedi**

Founder & CEO Innolabz Ventures, Public Speaker, Entrepreneur, SCM Consultant

Consultant, C# Corner MVP,
Author, Speaker

**Pankaj Bajaj**

Lead Developer, C# Corner MVP,
Author, Speaker

**Romil Bheda**

CTO Getwings Technologies,
Microsoft MVP, Author, Speaker

**Neha Sharma**

Founder JSLovers, Tech Lead,
International Speaker, Tech Blogger

**Kishore Chowdary**

Developer Evangelist at CodeSizzler,
C# Corner MVP, Author, Speaker

**Sachin Kalia**

Tech Lead, Microsoft MVP,
Author, Speaker

**Maarten Balliauw**

Co-Founder MyGet, Developer
Advocate at JetBrains, Microsoft MVP,
Author, International Speaker

**Jaswant Sandhu**

Tech Architect, Author, Speaker

**Mala Gupta**

Founder eJavaGuru, Co-leader DelhiJUG,
Author, Speaker

**Mani Jee**

Android Corporate Trainer,
C# Corner MVP, Author, Speaker

**Bala Chirtsabesan**

Senior Software Engineer at Microsoft,
International Speaker, Author

AGENDA DAY 1 (April 13)

Cutting-Edge

Career

07:00 - 09:00		Registration & Breakfast
08:00 - 08:45	Web VR Stephen Simon	Rock your Technical Interview David McCarter
08:50 - 09:35	Build AR/VR Game using Unity Vivek Raj	How to be Fearless in any Interview Mahesh Chand
09:40 - 10:55		Keynote
11:00 - 11:45	.NET Core 2.0 Sachin Kalia	Position yourself for the Future Destin Joy
11:50 - 12:35	Holograms and Augmented Reality in FinTech Diksha Deo	How to become Employable Saurabh Chaturvedi
12:40 - 01:25	Blockchain for Developers Dan Gershony	How to become Personable Magnus Martensson
01:30 - 02:25		Lunch
02:30 - 03:15	Developing a Software - Agile or Waterfall Niloshima Srivastav	New Age Careers Naveen Sharma
03:20 - 04:05	Dive into Microsoft Flow Alagunila Meganathan	How to Become Successful Mahesh Chand
04:10 - 04:25		Tea Break
04:30 - 04:55	Era of AI with Microsoft Cortana & Amazon Alexa Romil Bheda	Panel
05:00 - 05:25	Java 8,9,10 - What the future holds Mala Gupta	How to become a Microsoft MVP Joe Darko
05:30 - 05:55		Q&A Panel Experts
06:00 - 06:10		Closing Note

Exclusive Event for MVPs & VIPs Only

06:15 - 06:55	Welcome & Introduction
07:00 - 07:40	C# Corner Achievements and Future Plans
07:45 - 08:25	How to become a Better Speaker and Author
08:30 - 08:55	All PowerPoint Templates are Wrong
09:00 - 09:25	Q&A
09:30 - 11:00	Dinner & Networking

AGENDA DAY 2 (April 14)

Dev Track

AI/ML/Data Science Track

07:00 - 09:00

08:10 - 08:55

Learning most useful Design Patterns
Prakash Tripathi

Developing smart applications using
Microsoft Cognitive Services
Nishith Pathak

09:00 - 09:45

Stop the war between Static and Dynamic
Sanjay Vyas & Raj Choudhary

Dependency Injection - What, Why, and How!
Tadit Dash

09:50 - 11:25

11:30 - 12:25

C# 7.x
Mads Torgersen

Concept Visualising Technologies
Sanjay Vyas

12:30 - 01:25

Exploring .NET's Memory Management –
a trip down memory lane
Maarten Balliauw

Performance in 60 seconds –
SQL Tricks Everybody MUST Know
Pinal Dave

01:30 - 02:25

02:30 - 03:25

Modern Web Applications with
ASP.NET Core
Bala Chirtsabesan

Implementing CaaS using Azure Bot Framework
Dave Nel

03:30 - 04:25

Herding Nulls, and other Tales from the Future
Mads Torgersen

Azure Data Lake Analytics
Suketu Nayak

04:30 - 04:55

05:00 - 05:55

Rock your .NET App Performance
David McCarter

Kick Start SQL Server 2016 / 2017 ! -
Performance Tips and Tricks
Pinal Dave

06:00 - 06:50

Cl

Mobile/Security Track

IoT/DevOps/Cloud Track

Registration & Breakfast

Plan your Digital Transformation with
SharePoint and Office 365

Vignesh Ganesan

Build your IoT Home Automation System
with Azure App Service

Feroz Khan

Web/Cloud/Infra Security

Parveen Malik

DevOps

Vishwas Lele

Keynote

Office Efficiency for Developers

Nitin Paranjape

Progressive Web Apps

Chris Love

Build Native Mobile Apps using
JavaScript and React

Joseph Guadagno

Save the polar bears: Building an End-to-End
AI/IoT solution with Microsoft Azure

Jeff Prosise

Lunch

React Introduction

Bill Wolf

IoT - How to build a Robot

Allen O'Neill

Introduction to Xamarin

David McCarter

IoT with Azure

Prabhjot Bakshi

Tea Break

React vs Angular vs Vue

Bill Wolf

Building Continuous Integration & Deployment

using VSTS

Vithal Wadje

Closing Note & Prize Distribution

AGENDA DAY 3 (April 15)

Web Dev Track

Cloud Track

07:00 - 09:00

Registration & Breakfast

08:00 - 08:45

Learn Python in Minutes
Sourabh Somani

Introduction to Cloud and MS Azure
Gourav Jain

08:50 - 09:35

Get Ahead of the Curve with MongoDB
Neha Nivedita

API Gateway enhances Restful Web Services
Sandeep Soni

09:40 - 10:55

Keynote

11:00 - 11:45

Working with Angular Material and CDK
Jinal Shah

Security of Workloads in AWS
Albert Anthony

11:50 - 12:35

Optimizing Angular Apps, Advance Routing
Jinal Shah

PWA with Polymer
Nitisha Soni

12:40 - 01:25

Redux Internals
Neha Sharma

Big Data Management in AWS
Pankaj Bajaj

01:30 - 02:25

Lunch

02:30 - 03:15

Building a Cross-platform application using Ionic
Jaswant Sandhu

Text Analytics in Azure LogicApp
Kasam Shaikh

03:20 - 04:05

Using GraphQL with Node.js
TBD

Scale up your web apps with Azure
Nitin Pandit

04:10 - 04:25

Tea Break

04:30 - 05:15

Consuming REST services from Xamarin.Forms
Sekhar Srinivasan

Dive into Cosmos DB
Akshay Patel

05:20 - 06:05

Build iOS and Android Apps using
Xamarin Forms
S. Ravi Kumar

Azure Site Recovery
Mohammed Ramees

06:10 - 06:45

Closing Note

C# CORNER CHAPTER HIGHLIGHTS

C# Corner Chapters, founded in year 2012 are local user groups where C# Corner members meet and talk latest technologies. Today, there are 33 chapters in different cities in India, US, Turkey, and Poland, having 12000 members. C# Corner Chapters have organized 350+ in-person events.
